General Information

Student Name: _____

Program Advisor: Neil Rothman, Ph.D., | nrothman@umbc.edu

Admission Date: _____ Projected Graduation Date: _____

NOTE: This form serves as unofficial guidance in planning your program. In coordination with the Program Director you may edit or modify your desired courses (where possible & appropriate) at any point while at UMBC.

Required courses for Integrated Product Development and Manufacturing (Program requires 4 courses, 12 credits)

Course	Course Title	Semester Planned/Completed
ENME 615	Product Development	
ENME 616	Manufacturing Operations	
ENME 617	Advanced Manufacturing Processes	
ENME 618	Organizational Management for Product Design and Manufacturing	

Note: The Graduate School has a “continuous registration” policy which states you must register each fall and spring semester until you have completed your program of study. If you do not register you are automatically placed on a Leave of Absence (LOA). After three consecutive semesters of LOA, your student account will be discontinued. You may have to reapply to the Graduate School to be reinstated.
